NEW WUNS AFFILIATES

Three new organizations have recently been admitted to the WORLD UNION OF NATIONAL SOCIALISTS. They are the following: Anglo-Nordic Union (South Africa); Belgian National Socialist Union; and Canadian Nazi Party. We wish each of these formations success in their endeavors, and urge all National Socialists in these countries to support their respective Section.

SOUTH AFRICA

The Anglo-Nordic Union has been officially recognized as the South African Section of WUNS. Heading the ANU is Ray K. Rudman. The address of the ANU is: Posbus 497--Pietermaritzburg.

BELGIUM

In July a WUNS Section, the Belgian National Socialist Union, was formed in this country. Leader of the BNSU is Rüdiger van Sande of: 80, Avenue de Thiervaux--Heusy/Verviers.

The Belgian Section is comprised of three sub-sections, corresponding to the three ethnic groups in Belgium: Vlaams Nationaal-Socialistische Unie (Flemish); Union Nationale-Socialiste Wallonne (Walloon); and National-Sozialistische Volksunion (German).

Formation of the BNSU came after satisfactory consultation with Yves Jeanne, Leader of the Fédération Ouest-Européenne. The FOE formerly had WUNS jurisdiction over the French-speaking, or Walloon, part of Belgium.

Attempts to intimidate the Leader of the Belgian Section have already begun. While van Sande was away from his home in late July, the police raided it, and confiscated many items. The Belgian Leader has since filed a complaint with the attorney-general against this illegal action. Because of his politics, van Sande has also lost his job. With a wife and three children to support, he is now without employment, and we ask any Comrades who are able to give assistance to do so.

CANADA

The Canadian Nazi Party was formed on 20 April of this year. Under the leadership of John Beattie, the CNP has come to the forefront of racialist and National Socialist activity in Canada. The new Canadian Section promises to be an invaluable part of our growing world movement.

Temporary mailing address for the CNP is simply: John Beattie--181 Rhodes Avenue--Toronto 8, Ontario.

SOUTH AMERICAN REPORT

CHILE

Franz Pfeiffer, head of the Chilean Section, Partido Nacional-Socialista Obrero, was arrested on 22 April of this year and put in prison for three years, because of an alleged attack on a synagogue back in 1958. The real reason, however, for Pfeiffer's imprisonment is an attempt by the government to intimidate the growing force of National Socialism in Chile.

We therefore urge all Sections and affiliates--particularly those which have not yet had an opportunity to do so--to protest against the cowardly persecution of Pfeiffer at the nearest Chilean embassy, consulate or official office on 22 October. On that date Comrade Pfeiffer will already have been held in prison for six months.

During Pfeiffer's absence, Maj. René Rodríguez is in charge of the PNSO. The current address of the Chilean Section is: PNSO--Agregado Especial 88--Correo 15--Sant ago.

Form of Protest in Spanish

PETICION AL HONORABLE EMBAJADOR DE CHILE

En las oficinas principales de la Unión Mundial de Nacional-Socialistas, se ha recibido información al efecto de que un ciudadano chileno, Franz Pfeiffer, Jefe del Partido Nacional-Socialista Obrero, ha sido encarcelado por un período de tres años, como consecuencia de sus actividades políticas.

La Unión Mundial de Nacional-Socialistas, que incluye el Partido Nacional-Socialista Obrero, quiere protestar el trato cruel y las graves injusticias que se están extendiendo a Franz Pfeiffer. Muy respetuosamente, le solicitamos al estimado Señor Embajador de la gran patria de Chile que haga todo lo posible para conseguir la anulación de la sentencia arriba mencionada, para asegurar la libertad de Franz Pfeiffer y devolverle el derecho humano de la libertad política.

Muy atentamente,

ARGENTINA

In August Horst Eichmann, son of the late Adolf Eichmann, was arrested in a nationwide police raid against National Socialists, Peronists and Nationalists. He was later released because of lack of evidence against him.

DATES TO COMMEMORATE

16 October 1946 -- Ten of the Nuremberg Martyrs are murdered at Landsberg Prison.

9 November 1923 -- The Munich Putsch: 16 Stormtroopers give their lives for the National Socialist Cause.

All Sections, Associate Members and affiliates are urged to forward reports, information and photos of mutual interest to : WUNS-Eastern Hemisphere, 74 Princedale Road, London, W. 11-ENGLAND. WUNS-Western Hemisphere, Box 5505, Arlington, Virginia USA.

PERSECUTION IN GERMANY

"Stossen können Sie, fällen können Sie nicht.
Schlagen können Sie, zwingen können Sie nicht.
Martern können Sie, ausrotten können Sie nicht.
Verbrennen, ertränken und aufhängen können Sie,
Zum Schweigen bringen,
das können Sie nicht!"

--Martin Luther

BRUNO LÜDTKE

Bruno Lüdtke, who was arrested and held without trial for four months in 1963, has been indicted on the grounds that his alleged association with WUNS and some of his writings upholding the National Socialist philosophy constitute crimes against the "democratic" Bonn constitution. Although the date of trial has not been set, it is expected to be scheduled shortly.

All WUNS Sections, Associate Members and sympathizers are urged to prepare now for the most vigorous and effective protest possible as soon as the Lüdtke trial starts. This protest should be aimed against the persecution of Bruno Lüdtke in particular and the general persecution of National Socialism in Germany, should demand complete political freedom for National Socialists in that country.

Devise the best means you can to bring this issue before the public and politicians in your country, and to register your protest at the nearest German embassy, consulate or travel office. For this purpose you might consider the following: picket demonstrations; protest delegations; public vigils; handbill distributions; telephone campaigns; open letters (newspapers, etc.); posters, signs and stickers; public rallies; pressure on your own government; special dramatic action.

DIETRICH SCHULER

Another outrageous example of the "democratic" tyranny existing in Germany today is the case of Dietrich Schuler, 38-year-old schoolmaster from Reutin in the Black Forest region. Schuler was recently sentenced to seven months' imprisonment by a Stuttgart District Court, because of an unpublished manuscript police had found in his home upholding National Socialism.

ERHARD REINHARDT

This National Socialist Comrade, a 28-year-old toolmaker from Aachen, was indicted on 22 July, after being held in jail since 10 March of this year. Reinhardt is accused of having taken part in the distribution of a leaflet protesting extension of the statute of limitations for prosecution of so-called "war criminals". Reinhardt is scheduled to go to trial shortly.

ECKHARD BRAGARD

Arrested along with Reinhardt in March was Eckhard Bragard, also of Aachen, a 25-year-old radio technician. His case is currently pending.

ERICH WENDT

Also arrested on similar charges in March with Reinhardt and Bragard was Erich Wendt, of Bodendorf-Ahr. Details in his case are not available at the present time.

WARNING!

European National Socialists are warned about a race-traitor from Toronto, Canada, who may try to approach them. He is David Stanley, age 20, formerly associated with the following groups: Canada Youth Corps, World Service and Natural Order.

On the right is a picture showing this low character as he repudiates his former associations and publicly apologizes to Jewry at a recent news conference.

We are informed that Stanley will receive an inheritance on 1 October 1965, and is planning to spend a year traveling throughout Europe.
